Oscar Insurance Company of Florida | Contracted Independent Physicians

The below roster includes FL independent physicians who have signed an agreement with Oscar to service members beginning on 1/1/2020. We expect these physicians to begin showing up on the provider search tool upon completion of credentialing. A few reminders:

- You should always check the [provider search tool](#) prior to referencing this list.
- Our South FL network is built around Tenet, HCA, and Memorial facilities. Our network overview can be found [here](#), which lists our hospitals across the metro. Hospital-based physicians are not included in this list.
- Our South FL urgent care network is built around MD Now, Care Spot, and Concentra. Those facilities are not included in this list.

If you have any questions, please reach out to our FL Sales team or our Broker Support Team at brokers@hioscar.com
